

UNIVERSITY OF CAPE TOWN

HR DELEGATED AUTHORITIES

Notes

1. These authorities include those delegated and those retained by Council. They must be read together with the rules relating to the exercise of delegated authority. Where authority is delegated to an individual, the authority passes from the delegating authority to the designated officer through those officers that make up the line of responsibility between the two. It follows that the exercise of that authority may be referred to a superior officer in that line and that, if referred, the superior officer in the line may exercise the authority. (See also rule 5 for occasions when the authority is away from office.).
2. Executive-level responsibility for Human Resources rests with the Executive Director of Human Resources (EDHR); the Dean is accountable for human resource arrangements in the Faculty and the Executive Director / Registrar for a PASS department.
3. The Dean/ED/Registrar will ordinarily be required to see all proposals but may delegate his/her responsibility for this to the Head of Department and/or the Faculty/PASS Finance Manager.
4. Where signing of letters is shown as EDHR or nominee, the Dean/ED/Registrar may ask to sign as the EDHR's nominee, but accountability for content of the letter rests with the EDHR.

Rules relating to the exercise of delegated authority

1. Unless the Schedule specifically authorises this, an authority may not further delegate his/her authority.
2. An authority must ensure that:
 - a. the power is exercised within the scope of the delegated authority;
 - b. the power is exercised in accordance with University policies and statutory requirements, and that due process has been followed;
 - c. the direct and indirect financial consequences of his/her decision are covered by an approved budget (authority to act does not confer authority to make a new budgetary appropriation, or create an entitlement to space); and
 - d. there is no conflict of interest (if the authority is conflicted he/she must decline to exercise the authority delegated to him/her).
3. Monetary/time limits refer to the total amount/duration of the contract/lease/salary and, save where otherwise indicated, include VAT. A single contract may not be split into separate contracts to avoid the limitation imposed by any limit.
4. The signing authority may consult, where appropriate, relevant staff within the University before exercising the authority delegated to him/her.
5. Where an authority is away from office:
 - a. and a person has been appointed, in writing, to act in that position for the period of absence, the person appointed to act may exercise the delegated authority vested in that position (e.g., an acting VC may exercise the authority given to the VC, or an acting ED Finance may exercise the authority given to the ED Finance); or
 - b. if a person has not been appointed to act, the authority's line manager is deemed to have the authority (e.g. in the absence of the Registrar or the ED Finance, the VC may exercise authority delegated together).
6. The Vice Chancellor may, in writing, delegate a specific authority to a Deputy Vice-Chancellor or Chief Operating Officer, except where the Council or the Senate as the case may be has expressly reserved the power to act to the Vice-Chancellor subject to any limitation that the Vice Chancellor may impose, and subject to the condition that the Vice-Chancellor may withdraw this delegation at any time.
7. The Council may confirm, ratify, vary or revoke any decision taken by an employee, subject to any rights that may have become vested as a consequence of the decision.
