Save up to 25% on specialised products at Dis-Chem

Members registered on the Chronic Illness Benefit now get up to 25% cash back with ChroniCare on a range of specialised products at Dis-Chem that will help them live a healthier lifestyle. ChroniCare is available to Discovery Health Medical Scheme members and members of all Schemes administered by Discovery Health.

Activate ChroniCare and save on selected items

If you or any person on your membership is registered on the Chronic Illness Benefit, you can activate ChroniCare on www.discovery.co.za or the relevant scheme website for Schemes administered by Discovery Health. You qualify for **10% cash back** once registered and **25%** after you have done the relevant health checks.

You can get up to **25% cash back** at Dis-Chem on:

- Monitoring devices
- Speciality foods
- Health education
- Footwear and accessories
- Fitness and wellbeing items

A catalogue of products that qualify for cash back is available online.

Collect your ChroniCare card and goody bag at Dis-Chem

Every member on your membership aged eight and older can collect a ChroniCare card and the member registered on the Chronic Illness Benefit also gets a goody bag containing products, samples and routine wellness test vouchers. These can be collected at your chosen Dis-Chem store.

The ChroniCare card will replace any existing Dis-Chem loyalty cards. Shop at Dis-Chem, swipe your ChroniCare card at the till and get up to **25% cash back** on a range of specialised ChroniCare products, plus the standard Dis-Chem points on all other items you buy.

Swipe your ChroniCare loyalty card at Dis-Chem

Swipe your ChroniCare card at the till for up to **25% cash back** on selected specialised products, plus the standard Dis-Chem points on all other items you buy. Your ChroniCare cash back will be paid into your nominated account.

Do health checks to increase your cash back

Every person on your membership has to do the relevant checks to increase your cash back on the selected chronic care items to 25%.

- Each person, 18 or older, has to do a Vitality Health Check at a Dis-Chem pharmacy or any other pharmacy in the Discovery Wellness Network.
- Each person, aged two and younger than 18, has to do an online Kids Vitality Health Review.

- To keep getting 25% cash back, you have to do the relevant health checks every 12 months.

Where applicable, the Scheme pays the Vitality Health Check from the Screening and Prevention Benefit and it will not affect day-to-day benefits. Check your benefits and cover for details.

Getting your cash back

- Get cash back when you activate ChroniCare, buy any of the selected items and swipe your ChroniCare card at the till.
- Your cash back, earned on all cards, will be paid into the main member's nominated account every month.
- If your cash back is less than R50 we'll hold back the amount until your cash back adds up to more than R50.
- Each membership can earn ChroniCare cash back on a maximum spend of R1 500 a month. Any amounts you spend over R1 500 a month (on the selected products) will not earn ChroniCare cash back.

You can track your cash back online and to see by when you have to do the relevant health checks again.
