Benefit definitions

Product & Tariff shortfalls in-hospital for specialist cost

This Gap Cover policy provides additional cover for in-hospital specialist charges. It enhances existing medical scheme cover to a maximum of 400%, subject to the Overall Policy Limit of R173 000 per insured person per year.

For example, if your medical scheme option has covered you at 100% of the medical scheme rate, Gap Cover will cover you for an additional 400%, should the specialist have charged 500% of the medical scheme rate. The maximum cover you will receive between your medical scheme option and Gap Cover for the specialist while admitted to hospital, will not be more than 500%.
